**Secretary's Report October 2018:**

Once again I thank all the selfless volunteers for their contributions to golf. Whether through their clubs, or communities, from course clean ups to administration, to course maintenance or taking courses in Swing Fit or preparing meals for events. I have witnessed most of this in the past year and I, as have others, been the beneficiary of the work of these volunteers.

As an example I played in a fundraiser at Lost Farm recently. The event was organised by the Bridport Lions Club in cooperation with Barnbougle Lost Farm. There were at least a dozen volunteers, some cooking breakfast, some lunch, some on course supervising drinks and sandwiches and a barbeque! Many helpers contributing to a smooth well run event in aid of a good cause. The community spirit was readily event.

This is not an isolated occurrence and I have been lucky to visit quite a few of our clubs this year where similar events occur.

I would hope that we can continue to publicise golf as a healthy sport with socialisation and club and community spirit to the forefront.

Our Facebook and website pages attempt to impart as much information as possible regarding Northern Golf and I would like to thank Rod Eiszele and The Examiner for their cooperation and assistance during the year.

We have started MyGolf Junior League this year and it was received enthusiastically by children and parents alike. I would like to thank the local PGA Members and Club Managers for their assistance in getting the program up and running.

I would also like to acknowledge the helpers at the two Bunnings barbeque fundraisers held this year. Funds raised are for Junior Golf.

I also acknowledge the marvellous donation from Tas Senior Ladies toward Junior Golf in the North.

Our events continue to be well patronised and rest assured we are always looking at making events as attractive as possible for all golfers.

To all sponsors, thank you very much.

To the Northern Golf committee, your input is highly valued and I have enjoyed working with you over the past year.

Good luck and good health to all Member Clubs and Golfers for 2019.  
Cheers!

**Rick Sindorff (Secretary)**

## Golf Month:

Northern Golf Executive appreciation is expressed to all those golf clubs around the state that are running events in Golf Australia's "Golf Month" in October and those PGA Professionals who have a Mygolf, or are running junior programs, 'Come and Try days', "Swing Fit" for Women, it can only help to get more people involved into this wonderful game we call golf.

February 1<sup>st</sup> Northern Golf President and Secretary had a meeting with Simon Weston, Development Officer to Golf Tasmania and agreed to trial a Mygolf Junior League program in Launceston, the program will involve a team of at least 6 junior boys and girls (7 to 15 years old), they will play a 2 ball Ambrose foursome match play at each of the four city golf club.

My great thanks to the parents and grandparents who helped all the children play in the Mygolf junior League.

The President and Executive of Northern Golf Inc. thank each and everyone for everything that they have done to bolster the game of golf in the Northern Golf District and Tasmania in general.

Parker Accounting & Financial Services for the efficient auditing of the accounts of the Northern Golf Inc.

The Northern Golf Junior Committee,

The East Coast Association their efforts are much appreciated by the Northern Golf Inc.

Finally I cannot speak highly enough about your Secretary/Treasurer Rick Sindorff: Rick who always goes well beyond the contract that Northern Golf has in place with him. No member club should be surprised to see Rick visiting their club sometime in the future as is often the case now. Rick is in constant touch with me, with weekly meetings to discuss what is happening with golf in the North, many thanks also for stepping in to run events in the North when asked by Stuart Eaton of Golf Tasmania. Ladies and gentlemen this is why we in the North are extremely fortunate that Rick is your Secretary/Treasurer and Northern Golf is the number one district in Tasmania.

The functional and presentation currency of Northern Golf Inc is Australian dollars.

1. **Basis of Preparation**

In the opinion of the Committee of Management, the Association is not a reporting entity since there are unlikely to exist users of the financial report who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. These special purpose financial statements have been prepared to meet the reporting requirements of the Act.

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 Presentation of Financial Statements, AASB 107 Statement of Cash Flows, AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors and AASB 1054 Australian Additional Disclosures.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

(a) **Property, Plant and Equipment**

Plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment of losses.

Plant and equipment is depreciated on a straight line basis over the assets useful life to the Association, commencing when the asset is ready for use.

(b) **Revenue and Other Income**

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Association and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

All revenue is stated net of the amount of goods and services tax (GST).

**Sale of Goods**

Revenue from the sale of goods is recognised at the point of delivery as this corresponds to the transfer of significant risks and rewards of ownership of the goods and the cessation of all involvement in those goods.

**Interest Revenue**

Interest is recognised using the effective interest method.

<b>Rendering of Services</b>		
Revenue in relation to rendering of services is recognised depending on whether the outcome of the services can be estimated reliably. If the outcome can be estimated reliably then the stage of completion of the services is used to determine the appropriate level of revenue to be recognised in the period.		
If the outcome cannot be reliably estimated then revenue is recognised to the extent of expenses recognised that are recoverable.		
<b>Subscriptions</b>		
Revenue from the provision of membership subscriptions is recognised on a straight line basis over the financial year.

## Independent Auditor's Report to the Members of Northern Golf Inc.

We have audited the accompanying financial report, being a special purpose financial report, of Northern Golf Inc. (the association), which comprises the committee's report, the assets and liabilities statement as at 30 June 2018, the income and expenditure statement for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the statement by members of the committee.

### Committee's Responsibility for the Financial Report

The committee of Northern Golf Inc. is responsible for the preparation of the financial report, and has determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Associations Incorporation Act (TAS) and the needs of the members. The committee's responsibility also includes such internal control as the committee determines is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation of the financial report that gives a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial report presents fairly, in all material respects, the financial position of Northern Golf Inc. as at 30 June 2018 and its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements, and the Associations Incorporation Act (TAS).

**Basis of Accounting and Restriction on Distribution**  
Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Northern Golf Inc. to meet the requirements of the Associations Incorporation Act (TAS). As a result, the financial report may not be suitable for another purpose.

Yours faithfully
