Secretarial Report:

Financial and Secretary Report:

Income down by 15%!!

This is probably not the opening line you want to see in any financial report, however this is what we, as an association, have experienced in the past financial year.

Importantly though, we were also able to reduce our operating expenses, but only by 10%, which has led to an overall loss of \$2,324 for the full financial year.

The drop in income can be attributed to a number of factors:

- Decrease in interest income received due to current low interest rates.
- Adverse weather conditions causing cancellation of GTN events.
- Reduced entry fees from tournaments from lower than expected entrants.

On the expenses side, we have seen our tournament expenses generally reduce in line with the reduction in income and most other fixed type expenses have generally remained stable.

GTN representative team expenses rose this year as all the events were held out of our region, which, primarily due to accommodation expenses, saw an increase over and above previous years.

Golf Tasmania North [GTN], together with the Northern Tas Junior Golf Development [NTJGD] sub-committee has committed additional funds over the last 12 months to support the development of Junior golfers by assisting them to attend interstate events such as the Aaron Baddeley International and the Victorian Junior Masters. Funds as raised through the annual Junior fundraiser are used primarily for this purpose as well as contributing to local lessons and clinics.

At 30th June 2014 both Committees were in a sound financial position with GTN holding cash reserves of \$79,294 and the NTJGD holding cash reserves of \$ 5,689.

On a personal note, I have enjoyed my involvement over recent years, initially as a board member of GTN, and then as Secretary for the last 12 months. As well as all the past and present committee member of GTN and NTJGD, I would particularly like to thank Don Cameron and Frances Hudson for their support, and their immense wealth of knowledge of all things related to golf, that they both possess.

Similarly, I would like to thanks Craig French and Stuart Eaton from Golf Tasmania for their support and assistance, as well as all the secretaries, committee members and members of all the Golf clubs in our region.

In my time with GTN, we have been able to effectively amalgamate the (NTGA) Men's and Ladies old associations under the new GTN, re-vamp the Men's Pennant Roster and continually build and improve our Junior Development program. Additionally, we have continued improving our communication of events etc, utilising email, our GTN website and social media such as Facebook.

Your new Secretary for the 2014/15 year is Rick Sindorff from the Launceston Golf Club
I wish him every success as your new Secretary.

Curt Mathews
Secretary 2013/14

Junior Committee Report For 2014

There have been several highlights this last year for the GTN Junior Committee.

Sam Rawlings was made captain of the Waverley pennant side. Past junior committees can take great satisfaction from his appointment. The Riverside team won the State Junior Pennant. congratulations must go to their team members and to Drew Davern. Joel Harwood won the Southern Junior Open and the 2013 GTN Student Championship. The 2013 Southern Boys and Girls Championship was won by Kade Philpott and the annual Betty Bradley Award was won by Lachlan McDougall. (In a wonderful gesture, when Frank Stone was informed that the kitty left by Betty Bradley was nearly empty and that the award might not continue Frank topped it back up off his own bat, many thanks Frank.)

Once again our annual fundraiser was a great success, thanks to all the committee members and the Launceston Golf Club. It becomes increasingly difficult to find players and sponsors for these events particularly at a very hectic time of year, but once again many players and helpers contributed to a profit of around \$3500 to continue their support of junior golf in the north of the state. Similarly our thanks go to Richard Sattler for his ongoing support of our juniors.

Due to our fundraising, we were able to send Jack Tregaskisjago, Lachlan McDougall, George Waller and Paul Siejka to the Aaron Baddeley tournament in October, thank you to John Siejka, manager, and also sent Joel Harwood, Sam Manix-Geeves and Kade Philpott to the Junior Masters at Waverley Golf Club, thanks to Rod Eiszele as manager. We are currently funding 50% of coaching fees for 12 juniors with Bryce Gorham, the northern regional coach. Once again, this wouldn't happen without our participants on our fundraising day, many thanks.

Thank you to Rod and Andy for the ongoing school holiday tournaments, to Karen for continued support even though Sam is no longer a Northern junior and to Don for his ongoing assistance with all aspects of junior golf in the north. Thanks also to Curt Matthew's assistance as Junior Committee secretary, and following his retirement thanks to Rick Sindorff for stepping into the role.

I am looking forward to the re-release of the Mygolf program which is now a collaborative approach between Golf Australia and the PGA. I am sure that as schools introduce students to golf and clubs adapt to be able to accept students with volunteers to mentor juniors and acceptable membership packages, that declining club memberships may slow, and then hopefully begin to rise.

I have enjoyed my time as Chair of Northern Tasmania Junior Golf Development and thank everyone for their support.

Tony Bush

Notes to the Financial Statements
For the Year ended 30 June 2014

1. Summary of Significant Accounting Policies

(a) Basis of Preparation

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act (TAS) . The committee has determined that the association is not a reporting entity.

The financial statements have been prepared on an accruals basis and are based on historic costs and do not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of the financial statements.

(b) Property, Plant and Equipment

Property, plant and equipment are carried at cost, independent or committees' valuation. All assets excluding freehold land, are depreciated over their useful lives to the association.

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

(c) Revenue and Other Income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the entity and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

All revenue is stated net of the amount of goods and services tax (GST).

Sale of Goods

Revenue is recognised on transfer of goods to the customer as this is deemed to be the point in time when risks and rewards are transferred and there is no longer any ownership or effective control over the goods.

Interest Revenue

Interest is recognised using the effective interest method.

Rendering of Services

Revenue in relation to rendering of services is recognised depends on whether the outcome of the services can be measured reliably. If this is the case then the stage of completion of the services is used to determine the appropriate level of revenue to be recognised in the period.

If the outcome cannot be reliably measured then revenue is recognised to the extent of expenses recognised that are recoverable.
